i. Collier Enrollment

Members discussed our current school enrollment and ways in which we feel we could work to promote our school to actively engage families for recruitment and retention. Some ideas are:

- Collier car magnets or bumper stickers for Collier families to use to promote our name around town.
- Parents sharing good stories with others they know that do not enroll at Collier
- More family events in public spaces like the Family Park Day
- Signs of some kind at the corner of Bear Canyon and Tanque Verde. Side of the road signs will be placed this week. Could we get street light signs?
- We will be mailing out cards with invitations to Preschool and Kindergarten Kick Off and our Collier QR codes to people in 85749 and 85715
