REPORTS TO REVIEW	Collier Enrollment
DISCUSSION	Our enrollment is up this year and we feel we have good momentum for growing as a school. We discussed that we could work to reach out to realtors about sharing about our school, local neighborhood associations, and even the Airman Family Readiness Center on Base. Families are happy with our school and feel that we provide a great environment for learning. We also discussed signage at Bear Canyon and Tanque Verde to let people know where we are located.

REPORTS TO REVIEW	Parent Involvement and Communication
DISCUSSION	Parents are feeling good about communication with staff. Most teachers use apps to provide back and forth conversations, meet with parents in the parking lot, and use email. To involve more parents with volunteer opportunities we have offered videos sharing what we need. Another idea we are going to try is to have a Volunteer Information Breakfast where we can work with volunteers to fill out the job application and set up times for people to come in to help out. Our PTA board is full this year with 5 board members and they are working to try out new ideas for getting families involved.
